silver, the product of American mines, at the old ratio of 16 of silver to 1 of gold, is the only solution of and remedy for the disturbed and unsatisture and general business of the country. The surreptitious act of 1873, divorcing silver and gold in our monetary system, was a crime of untold magnitude. It was the rankest kind magnitude. It was the rankest kind United States, Canada, and Mexico. of class legislation in favor of the wealthy against the producers of wealth, and hostile to the prosperity of the United States. It was an act of treason because done at the instance of a European syndicate and for bribe money, "giving aid and comfort to our country's enemies." To shield the guilty parties, the well authenti-

the guilty parties, the well authenticated facts, often published, have been vigorously denicd.

The Enquirer will continue to expose this unpardonable crime until right and justice are done the people by the full restoration of silver to its old companionship with gold. We need the assistance of the people in disseminating the truth, to which end we invite all in your selection of papers for the coming season to include the Enquirer, that costs only \$1.00 a year. (Issued twice a week.)
